26. April 1988

Mr. Jim Cain
c/o Boy Scouts of America

Dear Mr. Cain:

In view of the irresponsible and inexcusable way the Boy Scouts of America appears to operate when considering membership in its organization, I am hereby requesting that my membership dues of \$5 (which I voluntarily gave to BSA in support of its programs) be returned in entirety immediately.

In the last several years I have been a big fan of the Boy Scouts of America, but no more much to my dismay. How do you think you can get by with slapping people in the face who have willingly, regularly and unselfishly donated uncountable hours of time and immense amounts of energy--all at their own expense--to your programs both locally and nationally? Let's face it--you rely almost 100% on volunteers at all levels of Scouting; if you are ugly to too many people you might find yourselves begging for help, and frankly, it would serve you right.

As far as I am concerned, you and your organization are the losers here; maybe eventually you will wisen up and admit that an error has been made.

I have placed a copy of this letter in my files. I will appreciate a rapid return of my full dues.

Yours truly,

Anita M. Walker

From: Paul Ernst

On Wednesday, April 20, at 9:30 a.m., I received a call from Mr. Walker. Mr. Walker indicated that he was appealing his placement on the confidential file and was asking for a copy of all the material in our file so that he could answer any complaints made against him. He indicated he did not know how to respond if he did not know with what he was being charged.

I told him that I could not release the file to him and that I really wasn't aware of where the material had originated which was in our file.

I suggest that he write to Mr. David Park, requesting information which he desired.

Dear Bill:

After careful review, we have decided that your registration with the Boy Scouts of America should not be accepted. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee, Order of the Arrow dues, and Boys' Life subscription fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely yours,

Mike McCulloh

SUBJECT: Billy K. Walker

Dear Jim:

This confirms our telephone conversation of April 8 concerning the above-named individual.

This individual is the same man as is trying to register in Troop S0009. We are deleting his registration and a Credit Notice is attached for his registration and Boys' Life fees.

As we discussed, we suggest a letter be sent to him suspending his registration. This should be signed by the council president and delivered discreetly in case his wife is not aware of any of these activities of the past.

I have informed Allen Hossman of this since Dr. Walker was involved with the Order of the Arrow.

Let me know if we may be of help to you in any way. Please send us a copy of the letter which is given to Dr. Walker. We would also like a statement of what transpires as this delivery takes place.

Sincerely,

Paul Ernst, Director
